WILMINGTON, MASS., THURSDAY, SEPTEMBER 30, 1971

FIFTEEN CENTS

CAMP 40 ACRES BEING REBUILT

One Good Turn Deserves Another.

A Good Turn, in Boy Scout language, is a helpful deed. Every Boy Scout is supposed to do a Good Turn daily. The slogan, in Scouting, is an old one.

Troop 609, Boy Scouts, of Malden, is one of a number of youth organizations, Boy Scouts, Girl Scouts and Campfire Girls, which has, in past years used the facilities of Camp Forty Acres, in North Wilmington, close to the Andover line. When the camp was vandalized, several weeks ago, the Troop heard of it and resolved on repaying some of the Good Turns they had enjoyed in the past.

Last weekend 18 Boy Scouts and 5 Scouters appeared at the camp, with two truckloads of lumber. They completely rebuilt two of the Adirondack Leantos, which had been destroyed by the vandals.

One Good Turn Deserves Another

REBUILT LEANTO: Jack Desormeaux and Fred Ciavarella, Scouters from Troop 609, Boy Scouts, of Malden, in front of one of the leantos which the troop rebuilt, last weekend. 18 boys and 5 adults volunteered their labor.

The Good Turn of Troop 609 is one of several which have occurred since the vandalism of several weeks ago. Wilmington Scouts and Scouters have been active, restoring the camp, and the electricity is now partly restored, among other things.

The Andover Townsman, newspaper in Andover, carried a story about the vandalism, and as a result there have been several volunteer assistants from that town, plus a check which the donor called "small".

Foster Balsar of Middlesex Avenue, who is the founder of the camp, more properly called Wilmington Youth Camps, Inc., is beaming at the good will being demonstrated by out of town groups when they heard of the damages by vandals.

An end to Bootlegging?

Wilmington, half a century ago, had a lot of bootlegging - the illegal sale of liquor, and a few noteworthy individuals whose names appeared again and again on the court records, either as complainants or defendants. Notable were such persons as Chief Walter Hill, and Harold D. "Three Gun" Wilson, who once raided the Governor of Massachusetts, at a party.

In the past year of two bootlegging has returned. Young men have been going to parking lots and woodland lots, selling liquor to minors, who were parked in cars, awaiting an evening's entertainment.

Sales notably dropped off, last week following a conviction in Woburn Court. Almost no cars have been seen in the customary parking spots, and parking lots etc. are almost free of beer bottles, in the early hours of dawn.

Officer Frederic Brown, one of the new appointees to the Wilmington Police Department, working with Officer McKenna, seems to have been the cause of the present decline in bootlegging, which dropped after a conviction in Woburn Court last week.

Brown had summonsed Giro Mitrano, 23, of Marion Street into Woburn Court on a charge of selling liquor to a minor. Mitrano was convicted last Thursday.

and Judge Francis Cullen sentenced him to thirty days in the House of Correction and a \$200 fine.

Mitrano has appealed, and will have a trial before a 12 man jury in Cambridge Superior Court.

BOB GILLIS ON PENNINGTON NJ TEAM

Robert Gillis, former Wilmington High School football star is playing this year with the team at the Pennington School, in Pennington, N.J. Bob is playing tackle. He weighs in at 215 pounds, and stands 6 feet, exactly.

Pedestrian and Bike Accidents

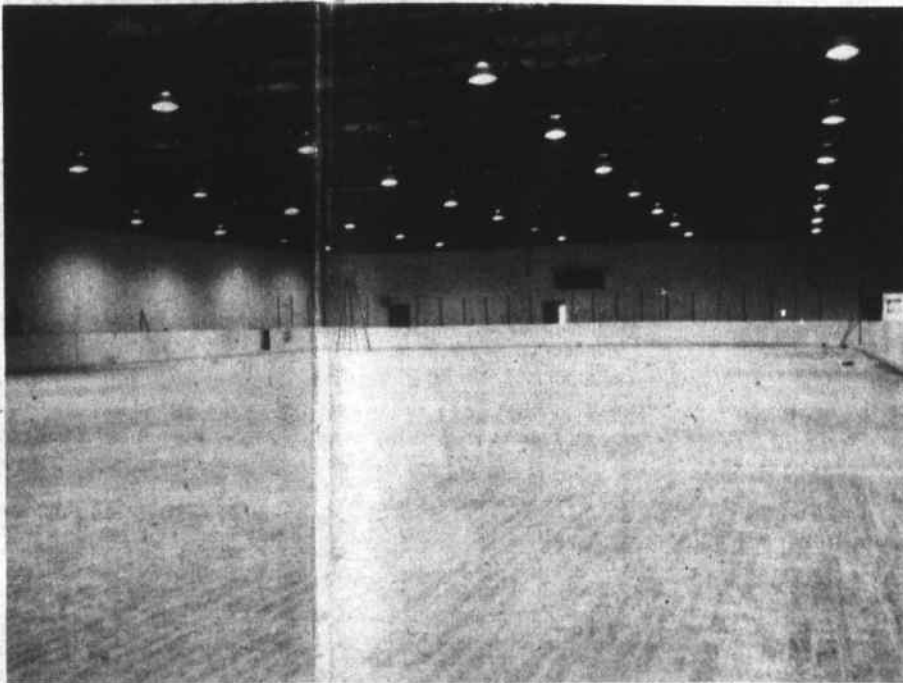

Three accidents over the weekend involved people driving automobiles, and young people, some on bicycles.

Patricia Calnan, 13 of 25 Brattle Street was injured in an accident on Main Street on September 26th. Patricia was riding a bike at the time, near Veranda Avenue. Operator of the motor vehicle, a Toyota, was James Wright of 8 Faulkner Avenue.

Lawrence Trow, 10, of 2 Oakdale Road, was injured in an accident a couple of hours later, at 4:15 pm, at the corner of Birchwood Road and Shady Lane Drive. Lawrence was riding a bicycle and was in a collision with Stefan Sniezko of 40 Lawrence Street.

Mark Russell, 2 1/2 years old, of 22 Parker Street, was playing in the driveway of his home, and then was injured in the street, by a car operated by George W. Boylen 3rd., on September 25th, at 1:05 p.m.

Ready for the Ice

THE NEW SKATING RINK: In the Route 125 Park in North Wilmington, off Andover Street awaits its first ice. It will probably be in operation today or tomorrow.

Planning Board seeks recinsion of Theatre Variance

The Wilmington Planning Board wants to contest a decision of the Board of Appeals, regarding a proposed theatre, in back of Louie's Oil, on Main Street. The Board of Appeals, they say, can reconsider, and arrive at another decision, or they will try to take the Board of Appeals to court, to get another decision.

Tuesday night the Planning Board requested that the Board of Selectmen instruct the Town Counsel to proceed with the necessary legal work. Carl Backman Jr., Chairman of the Board of Selectmen, promised that he would consult with his fellow selectmen, and the Planning Board would have an answer "in a day or two".

Discussion of the proposed theatre, and its variance, was brought up by William Hooper, and found all four present to be in accord. The size of the proposed theatre calls for 280 parking spaces, and the Board of Appeals granted a variance with parking for 175 cars. Hooper noted that they were to have parking for a car for every 2 1/2 seats in the theatre, and that as granted by the Board of Appeals it was for every four seats.

Danny Gillis of the Planning Board further pointed out that "they (the Board of Appeals) gave no reason why they should grant the variance, and no hardship was shown, as is required by the law." The people who

bought the land knew what they were buying he said, and had no hardship on that account.

"There was no hardship shown, in the decision. Therefore, I think it was improper".

The board has to file an appeal to the Superior Court within 20 days of the decision by the Board of Appeals, which was given on September 17th. Only the Board of Selectmen can request the Town Counsel to take such action.

The hearing, on August 10th brought objections from neighbors who feared teen-age vandalism. The proponent proposes fences, or what ever else the town may require, to combat this.

Proposed is a twin-theatre, to be operated by the Jerry Lewis chain. One feature of the Board of Appeals is that the theatre may not be sold to anyone else, for the decision will then be null and void.

SENIOR CITIZENS REGISTER NEXT THURSDAY

The MBTA's senior citizen registration team will be in Reading on Thursday, October 7th. Registration for eligible senior citizens will take place at the Community Center, Sanborn Street between 9 and 11:30 a.m.

Applicants must show proof of age and of residency in the MBTA district.

Senior citizens who already have their identification cards do not need to register again. What appears to be an expiration date is used merely for internal auditing and control purposes.

Once a reduced fare identification card is issued, it is good for life.

HOW TO KEEP THE CAR CLEAN: If you are a Cop, just drive it up to an Order of DeMolay car wash, and presto! That's what the Wilmington police did, last Saturday of the Masonic Hall.

Three Items

The date for the public hearing for Industrial Way, in South Wilmington, with reference to a railroad crossing over the street, and other pertinent data, has been changed to October 5th at 8 p.m. in the Town House, the former Mildred Rogers School. The original hearing was slated for September 28th.

The sum of money which the Reading Municipal Light Department is saving for its customers, as a result of the rate cut effective tomorrow is estimated at \$181,000, and not the sum which appeared in last week's Town Crier, viz. \$18,000.

The picture of James Durkee, of the Board of Health, which appeared in last week's Town Crier, identified him as the Chairman. Mr. Durkee is a past chairman.

LEAGUE OF WOMEN VOTERS OFFICIALS: At their Get Acquainted Supper last week. L to R. Anne Rando, Diane Smith, Marion Peterson, Nancy Pease, Barbara Pierce, Dorothy Barrett, Arleen Burpee, President Barbara Cogan, Pat Redan, Barbara Sullivan, Joan O'Rourke and Mary Bureau.

NO ACTION: Mrs. Donna Rooney of Lee Street gazes into one of several holes, dug eight days ago, and left unguarded by someone who was testing the land, for purposes of getting sewer and construction permits. There are forty small children in the neighborhood, she says, and she has been to the Health Department, Building Department, Town Hall and Police Department, with no action. The hole is about twelve feet deep.

One Fifth of the Way!

The Wilmington Community Fund has reached 20% of its 1971 Goal.

This year the aim is to reach \$12,000 in donations. The money is badly needed to continue the support of the projects to which the Community Fund contributes.

If you have not contributed, you may do so by mailing a donation to Post Office Box 145, Wilmington, or by contacting Mrs. Anna Low, secretary, or Richard Duggan, Treasurer.

Mrs. Wavie M. Drew, Chairman of the Wilmington Community Fund has issued an appeal to the people of Wilmington to "Open Your Hearts, and your Pocketbooks, and Give a Little More, This Year!"

Richard Duggan, 42 Adams Street (standing) is Treasurer of the Wilmington Community Fund. Mrs. Anna Low of 585 Woburn Street is the Secretary. They are pleased to announce that 20% of the goal is reached.

HOUSING AUTHORITY SEEKS ELIGIBLE SENIOR CITIZENS

The Town of Wilmington has voted to authorize the construction of 45 units, in Housing for the Elderly. The Wilmington Housing Authority, in order to justify the construction of more housing units, must have a waiting list of eligible senior citizens. At present the list is very low.

Persons 65 or older may call 658-8531 on Wednesdays, between the hours of 9:30 am and 2:30 pm for an application. An immediate response is needed to justify the need of housing.

27-28 while the Wildcats junior set won big, 18-46. The first five varsity runners in were Bob Connors (2nd in 15:08), Rick Keane (4th in 15:23), Joe Sullivan (6th in 15:43), Chris Nee (7th in 15:54) and Steve Gustus (9th in 16:35).

Doug Spring gained a first in the preliminary jayvee meet with a winning time of 10:36. Other Wildcats in the top ten were: Blaisdell (10:45), Carasco

(10:53), Maloney (11:09), and Maloney (11:09).

Coach Kelley's boys were in action yesterday with Chelmsford providing the competition, and on Friday they will host Methuen at the high school course, while next Wednesday they travel to Billerica for a dual meet with the Indians.

Wildcats Drop It

The varsity eleven made too many mistakes in their conference opener last Saturday afternoon, bowing to Andover, 11-0. The loss snapped a nine game winning streak for the defending MVC champs.

The freshmen also lost their initial contest to the Andover Frosh last Friday by a 12-6 score, while on Monday the Jayvees belted the Warriors younger set, 26-6.

Coach Bellissimo's squad controlled the ball throughout the first half running off fifty plays compared to Andover's twelve. But the boys were unable to come up with big play when the needed it, the lack of experience was obvious as the varsity fumbled once and had a pair of passes intercepted to halt three drives.

The defensive unit played well enough to win, but the offensive thrust was not equal to the task.

At the beginning of the second stanza the varsity started a drive on their own 45 following a Warrior punt and they proceeded to march to the four yard line in twelve plays before being halted by a stubborn Andover defense. Key plays in the drive were a twenty-one yard scamper by Artie Bibeau from midfield to the enemy 29 and a 14 yard pass play by Bob Conlin to Bibeau moving the ball to the four and a first down. But two running plays failed to gain anything and on a big third down play Conlin's pass protection broke down and he was thrown back to the 15 where the drive stalled.

In the third period Andover crossed midfield for the first time, and made their initial first down moving to the Wildcat's 44 before punting out. The Wildcats moved from their own 7, following the punt, to the 41 before giving up the ball on a punting situation that never came about due to a poor snap from center giving Andover possession at the Wil-

mington 21. The Warriors moved the ball to the 12 before being halted by the defensive front wall spearheaded by Steve Holloway and Mike Rounds.

The varsity moved out very quickly on a seventeen yard sweep around left end by Bibeau, only to have the play nullified by a clipping penalty pushing the boys back to their own eight yard line. Moving up to their 27 the Wildcats on a third and 8 paid dearly for their continuing mistakes as Conlin's aerial to Bob Noel was picked off by an enemy linebacker at the 32 and with a nine yard return to the 23 Andover had a golden opportunity once again.

The defense held Andover and on a fourth and ten from the 13 Seero booted a 20 yard field goal to provide the Warriors with the margin of victory. The score came at 4:20 of the final stanza. Later in the period the Wildcats

had a third down and 21 from the nine and when Conlin retreated to the end zone in an attempt to pass, but he was hit hard causing a fumble, which was recovered by Andover lineman for a touchdown. Running the two point conversion following a Wildcat penalty pushed the margin of victory to eleven at 8:58 of the period. Thus the end of a streak. The varsity will return to action this Saturday afternoon hosting Pentucket Regional in a non-conference encounter. Kick-off is listed for 1:30 p.m. at the High School Field.

Bibeau gained 91 yards rushing in 21 attempts, in addition to catching five passes for 53 yards in an excellent individual performance. Mark Jepson picked up 17 yards in 17 carries. Conlin hit on 12 of 24 aerial attempts for 11 yards. Dan Stygles caught four passes good enough for 50 yards, while Dennis Sullivan (1 for 12 yards) and Mark Jepson (2 for 1 yard) were the other re-

ceivers. In first downs Wilmington made 15 compared to Andover's 4. In total net yardage the Wildcats had 188 yards and the Warriors 86. (2 for 12 in passing included).

In Coach Aylward's jayvee win, Bill Waller (a pair of td's on runs of 30 and 35 yards), Paul Fitch (20 yard scamper) and Phil Morrissey (intercepted pass for a 30 yard touchdown) highlighted a team win Monday as some promising underclassmen showed well.

Coach Muir's frosh, with only a week of practice came up short due to the lack of working together. John Quinno's dive with 1:24 left in the game averted a shutout.

Flag Football

In opening round play of the Men's division of Flag Football the Miceli Club ripped Charles River, 66-33 behind the passing of quarterback Dick Ethier (23/35 for 403 yards) and Rocco's slammed Sweetheart Plastic, 71-31. Joe Beaton and Roger Smith scored three td's each in leading Miceli (formerly the Merchants) to their win. Defensively Dave Orndorff and Jack Beaton were outstanding.

Dennis DiMaggio and Steve Catalano shared the quarterbacking duties for Rocco's in their runaway triumph. Bob Flores scored four td's for the winners, while Ira Patterson was the long bright spot in the offensive attack by the Plastic team.

In a revised schedule double-headers will be played each Monday and Thursday night at Town Park thru October 28th when the season will come to an

end. In tonight's twin bill, Volkswagen makes its season debut against Rocco's at 6:30 and in the nitecap at 8:00 Sweetheart battles Charles River. Next Monday evening Rocco's will take on Charles River and Miceli tackles Volkswagen.

The second round of the Boy's division saw the Giants (2-0) edge the Bombers (1-1), 14-13 to move into a first place tie with the Chargers (2-0) who were victorious over the winless Browns (0-2) by a 14-6 score. In Tuesday's third game the Cowboys exploded for 26 second half points to dissolve a 6-6 tie in routing the Packers (0-2).

Steve Woods (8 pts on a td and a pair of pat's), and Frank Steven (a td) accounted for all of the Giants points, while Jim Hachey led the Bombers scoring a pair of touchdowns. Tony Micalizzi picked up 13 of the Charger's points on two td's and a conversion in leading the divisional co-leaders to their win over the Browns. A 61 yard return of an intercepted pass by Don Roberts was the only score for the winless Browns. John Smith led the Cowboys with 19 points (3 td's and a pat), while Mickey Grant and Eric Woods chipped in with a td each. The lone Packer score came on first half run by Mike Gardner which tied the score at the time.

In next Tuesday night's triple header the Packers battle the Browns at 6:00 followed by the Cowboys-Bombers (6:00) and Chargers-Giants (7:40) encounters.

ART BIBEAU (31) ON A SWEEP. Bibeau was the heavy player of the Andover game. He is shown making a 31 yard sweep in the second period, from midfield to the Andover 29 yard line, as Paul Olson (62) and Steve Holloway (64) move in to block.

INSURANCE INSIGHTS

By Lloyd Bender

POLICY RENEWAL

How does your insurance agent serve you at renewal time?

There is a tendency today for people to consolidate all their insurance with one agent. This is advantageous for all concerned. Your agent becomes better acquainted with all your needs. In this way he can give you his best service.

Many agents make a yearly survey of their clients' existing insurance. This is to determine whether the proper coverage and amounts have been indicated. In this way you can be informed as to new coverage needs. You may save money by eliminating some unnecessary coverage.

Many policies must be renewed each year. Your agent performs an important service at this time. He has the new policy

forwarded to him by the company. He then delivers your new policy about two weeks prior to the expiration date. Continued protection is assured by this service.

Rust stains, often found on carelessly stored antiques of marble, may be a blessing in disguise as they frequently result in a low selling price. If you think the stain may be a recent one, try energetic rubbing with a piece of hard cloth. If the stain has not penetrated deeply, this often takes it off. If not, try a few crystals of sodium hydro-sulfate. Sprinkle these over the stained area, moisten them, and let the mixture set for no more than a half of an hour. Then rinse it all off and wet down the area with a little sodium citrate solution. Your bargain may turn out to be more than a bargain - a real find! Don't bargain with quality. WINCHESTER HOSPITAL HAS NEW PHONE NUMBER

As of October 1st, Winchester Hospital can be reached by telephone only by using: 729-9000.

The number was changed some months ago, but to give everyone ample time to change over to the new number, the old one (729-1900) was not disconnected immediately. The old number will, however be disconnected on Friday, October 1st.

Introducing Bill Robinson

BILL ROBINSON is the president of the Wilmington Youth Arena, the new ice rink in North Wilmington, which will be opening in a day or two. He is shown (striped tie) in the Pro Shop, along with assistant Steve Wallace.

Journalism Class

From time to time, members of Wilmington High School's Journalism Class will be submitting articles for publication to the Town Crier. Their maiden contribution follows:

INTERESTED IN WHS?

On Tuesday, September 14th, a whole stage set was transported from the University of New Hampshire to Durham to the basement under Wilmington High's auditorium.

The set and props, used for U.N.H. summer theater, are just what is needed for this fall's senior class play, "A Midsummer Night's Dream."

Students Thomas McGinley, Anthony Romano, David O'Rourke and Raymond Dudley were Carol Gonzales' helpers in bringing the set to Wilmington High. Mrs. Gonzales is a former student of U.N.H. and while she was at the college, she obtained wigs, costumes, and props that can be put to good use for the senior class play. She and the students were taken to the college in some town trucks that were donated for the day.

Tickets to "A Midsummer Night's Dream" will be on sale in a couple of weeks from students taking part in the play. The tickets will be \$1.25 if purchased before the play and \$2.00 if purchased at the door.

Thank You
The Wilmington High School majorettes, under the direction of Janet Sullivan, would like to thank everyone who attended their car wash to make it a success.

Senior Responsibility
This week Wilmington High School's senior responsibility program begins its second year. From now until they graduate,

seniors in the program can make full use of school facilities, rather than remain in study hall.

Students may use the town and school libraries, laboratories, industrial arts areas, the gym, guidance department or attend an unsupervised study hall.

Under penalty of cancellation, students with the responsibility identification cards are forbidden to leave school property, or violate existing rules.

Jack Lunch, director of student activities, reports that the program has been high successful in the past. "Most of the seniors appreciate this freedom and are looking forward to another successful year."

Help your doctor help you. Take periodic medical examinations, especially if you are at middle age or later and even though you feel well. Early detection is part of an early cure for most serious diseases. Time and time again people could have been saved had they only been more conscientious about seeing their doctor regularly. What is true for your body is true for your eyes as well. Have your eyes examined often enough, and always on a regular basis to be sure that your glasses are right for you. These preventative steps will be a lot easier for you and cheaper in the long run, than one really serious illness.

This is sound advice. Also remember to come to Silver Lake Pharmacy, 52 Main St. Call, 658-4617. Open 9 to 10 Every day. Assorted Greeting Cards...Whitman and Candy Cupboard Chocolates...Cosmetics including Clairol.

Helpful Hint: It is extremely important that people over 40 years of age and older be tested for glaucoma every two years.

The sex teacher

Everybody ought to know about sex, especially adults. It is connected with the dearest events and associations of our lives, and especially with happiness or unhappiness. Whether knowledge of the subject should be imparted in schools is a matter under continuing debate.

Assuming that the course is to be given, some questions may arise in the minds of those not familiar with current pedagogical procedures.

Consider the qualifications of the teacher.

Should he or she be somebody who has been around, or some young person who starts even with the class and the textbook?

Experience counts in the academic world and is reflected in the size of the paychecks. Should the teacher win extra credits by going, say, to Summer school?

The history professor often cites specific events to illustrate his theses. Should the sex teacher ever enliven his lectures with anecdotes beginning, "I remember one time..."?

Should the school committee pay any attention to the teaching applicant who writes, "I have just returned from a stay in Denmark and I have some new insights..."?

A parent, one might think, would hate to have his child taught the facts of life by some amateur who's going by hearsay.

And how is the teacher going to evaluate the students? "Shows promise"? "Eager learner"? "Sleeps in class"? "Can't miss"?

Admittedly, this is serious business. But frivolous thoughts, like gleams in the eye, occur unbidden.

SOMEBODY BEAT THE TOWN TO IT: In the south part of Wilmington near the North Woburn line are old gravel pits, owned by the town, from which a lot of gravel was taken about a dozen years ago, for which the town was never paid. Wilmington caps were hired to stop traffic for the gravel trucks - it was quite a story.

The Town has now taken the land, by eminent domain, so there is no doubt as to ownership. The idea is that someday it will become, maybe, the Town Dump.

Somebody has already beaten the town to it. This trash and refuse was recently dumped in the area.

THE CONSERVATION RESTRICTION ACT OF 1969

A meeting on September 16th between the Wilmington Conservation Commission and an official of the (state) Department of Natural Resources was for the purpose of discussing the possibility of a series of photographs of Wilmington, for Conservation purposes. It developed, it would seem, into a general discussion of The Conservation Restriction Act (Chapter 666 of the Acts of 1969).

From the Commonwealth's Department of Natural Resources was David Grice. In addition to members of the Conservation Commission, several members of Wilmington's Planning Board were present. The Planning Board members feel that they may possibly help to pay for the photographs, if they are taken.

The photographs consist of a series of overlays, taken from an airplane, which enable the reader to more closely detect the presence of water, as in a swamp or brook. According to Bill Hanlon of the Planning Board they are very good for that purpose.

Those who were present in the

Varsity Booters remain Undefeated

The varsity booters remain undefeated through their first four games with a pair of ties in their recent outings against St. John's Prep and Peabody. The Wildcats are on top of the Northern Soccer League with a 2-0-2 record entering this afternoon's road encounter at Lynn Classical.

In last Thursday's scoreless battle with St. John's the varsity dominated play throughout with a wide 37-7 shots advantage, but were unable to penetrate the defensive minded Prep eleven. Barry Aruda playing center-forward in place of Ralph Decker missed a pair of glittering chances in the second stanza during a period in which the Prep did not get off one shot at the Wildcats' goalie, Tim Swisher.

Marcel Deveau was foiled early in the third frame as he attempted to head home a corner kick from Frank Simmons. Swisher came up with his best stop of the game late in the same third stanza to keep the game even. During the last minute of play in the game Aruda hit the post with a 10 foot boot that had beaten the Prep goalie.

Peabody (0-2-1) provided the opposition Tuesday and the varsity again carried the play to the visitors end but were unable to score and had to settle for a scoreless tie. The Wildcats again out-shot their opponents this time by a 39-17 count. Frank Simmons hit the post late in the third period for the best opportunity and Bob Conlin made an excellent save in the goal during the final minutes of play in the excellent save in the goal during the final minutes of play in the game as goalie Tim Swisher was caught out of position.

Bob Swisher, Rick Lipski and Tom Aprile along with Conlin, Simmons and Aruda played well for coach Lentine's surging club. Let's hope Decker and Crosswell return to action shortly in that the squad will probably explode.

one of these afternoons in real style. Including today's road contest the Wildcats play their next four games on the road.

Pop Warner

The Chargers put their show on the road last Sunday traveling to Billerica for a pair of games and they came up victorious, the "A" team 20-14 and the "B" squad, 12-0. Each squad will see action this Sunday as the Chargers host Burlington at the high school field in a twin bill listed for 1 o'clock.

Bob Sterrizzo scored both t's on runs of 40 and 65 yards in pacing the "B" set to their second seasonal win. Quarterback Jim Stewart passed for over 100 yards in leading the undefeated "A" eleven to its second win of the young season. Bobby Aprile (3 and 4 yard runs), and Les Peabody (45 yard pass from Stewart) netted the touchdown, while Kevin Harrington had three receptions in an overall team effort. The defensive unit again played hard-nosed football in the win.
